Mary Butler author of “Recreate your career story: how to get clear on your career”, is a careers and people strategy expert. She has 25 years experience in talent management leadership roles across a broad range of industries, and across the globe.

In this one hour webinar, Mary will help you help your leaders move from feeling frustrated and confused about their career, to gaining clarity on what's next for them, by:

• Exploring what's holding them back from getting clear on what they want to do next
• Identifying the capabilities they need to develop, and
• Building the confidence to recreate their career story
